VICTORIA IS IN LOCKDOWN AGAIN – BUT WE CAN STILL ASSIST WITH SERVICING YOUR ODORANT INJECTION SYSTEM REMOTELY

With news of the recent lockdown in VICTORIA from July 9th 2020, International Chemicals Engineering (I.C.E.) are here ready to support you. There are no changes to our services; we are ready to offer:

- **Virtual Gas Odorant Training**
- **Virtual Gas Odorant System Servicing**

Please do not neglect the servicing of odorant injection systems during COVID-19. Give us a call to discuss the options to train your personnel and/or service odorant injection systems.
